Maggie McDonald Sold.

Prof. C. F. Curtiss has recently bought for the Iowa Agricultural College the famous black gaited saddle mare, Maggie McDonald, daughter of Rex McDonald. She was foaled in 1895, and stands 16 hands high, and is strongly reminiscent of her famous sire in the flashness of her rack. She has been a prize-winner from her yearling form up. In the model ring. shown from halter and judged on conformation and quality, she defeated Forest King, Thornton Star, Star Rose and eighteen other entries at Centralia, Mo., in 1898. Her career in show rings has been unusually distin guished. R. E. Jones, of Webster on a strip two miles wide and six miles City, In., bought this mare from W. B. Freeman, of Mexico, Mo., and sold her to Prof. Curtiss. It is a matter of congratulation that so fine a type of the saddle-bred saddle borse will be before the students of the Iowa Agricultural College as a model. Maggie McDonald will be certain to culti vate a taste for more of ber kind on

LATE MISSOURI DEATHS.

At Huntsville-Thomas Jefferson Lowry, aged 53 years old. At Fulton-Miss Clara Owen, aged 21 years.

Every woman loves to think of the time when a soft little body, all her own, will nestle in her bosom, fully satisfying the yearning which lies in the heart of every good woman. But yet there is a black cloud hovering shout the number delays is yet there is a black cloud hovering about the protty picture in her mind which fills her with terror. The dread of childbirth takes away much of the joy of motherhood. And yet it need not be so. For sometime there has been upon the market, well-known and recommended by physicians, a liniment called

which males childbirth as simple and easy as nature intended it. It is a strengthening, ponetrating lib ment, which the skin readily absorbs. It gives the muscles elasticity and vigor, prevents sore breasts, morning sicks meas and the loss of the girlish figure. An intelligent mother in Butter, Pasaye: "Were it ones Mother's Friend again, I would obtain 9 bettes if I had to pay 80 per bottle for it."

Get Mother's Friend at the drug store. If per bottle.

# ALARIA Invisible Enemy to Health.

Malaria is an invisible atmospheric poison. The air becomes infec-with the gases and microbes arising from the marshes and low lands, cellars, sewer pipes, badly ventilated houses and decaying vegetamatter, and we unconsciously inhale them into the lungs, when are taken up by the blood and circulated throughout the system. Malaria gives no warning of its coming; no immediate effects are and no violent symptoms appear until the unfortunate sufferer is pletely at the mercy of this hidden foe. This invisible enemy may sllowing us night and day, but often the first intimation we have of presence is a chilly creepy sensation running over the body, times followed by a slight fever, and an always tired, drowsy and essed feeling. The blood soon becomes deeply poisoned, thinned eakened by the teeming millions of microbes and germs, and an ular, slow circulation is the result. This condition of the gives rise to innumerable and serious troubles; torpid liver,
